JULY 1992

**INDEX TO NEIGHBORHOODS
BY GEOGRAPHIC AREA
July 1992**

This Neighborhood Organization Booklet contains approximately 330 entries organized by 37 Geographic Areas of the City. The boundaries (see Map that follows this Index) are drawn in such a way that within each of those areas a number of traditional San Francisco neighborhoods are included. Examples would be the Tenderloin and North of Market neighborhoods, which have organizations listed in the Downtown/Civic Center area, and the Castro district, which, along with its organization, is included in the Upper Market listings. To assist our users in locating those organizations that represent and are identified by the traditional neighborhood name, we are including the following Index.

If you, the user, have any other suggestions about how to make this publication more useful to you please contact Sharon Rogers at 558-6382. You may send written communications to:

Sharon A. Rogers
c/o Janice King

**INDEX TO NEIGHBORHOODS
BY GEOGRAPHIC AREA
REVISED AND NEW ORGANIZATIONS, APRIL 1995**

This neighborhood organization booklet contains approximately 350 entries, organized by 37 Geographic Areas of the City. The boundaries (see Map that follows this index) are drawn in such a way that within each of those areas a number of traditional San Francisco neighborhoods are included. Examples would be the Tenderloin and North of Market neighborhoods, which have organizations listed in the Downtown/Civic Center area, and the Castro district, which, along with its organization, is included in the Upper Market listings. To assist our users in locating those organizations that represent and are identified by the traditional neighborhood name, we are including the following index.

If you, the user, have any other suggestions about how to make this publication more useful to you please contact JANICE KING at 558-6266. Please use the attached survey form to notify us of any change of address or names of officers. You may send written communications to

NOTICE

Planning Department's "**Directory of Neighborhood Organizations and Service Agencies**" is to be published three times a year, January-February, May-June, September-October 1997. The reason for this change from every six months is that the errata were getting too bulky. Now there will be less errata, or changes that come in between publications.

The cost to the public is \$4 plus \$1 postage. Directories are available at

1660 Mission Street, Planning Department, 5th Floor Reception.

If picked up at the 5th Floor Reception, the cost is \$4. If mailing is required, the cost is \$5.

Orders enclosing a check may be sent addressed to

Janice King
Neighborhood Organizations Secretary
Planning Department
1660 Mission Street 4th Floor
San Francisco, CA 94103-2414

If ordering a future copy not yet published, please specify. Your order and check will be held in reserve until the future mailing.

To make a phone inquiry call Janice King at 415-558-6266

In between publishings, the Directory is updated by errata sheet. Changes are immediately reflected on this sheet.

Problems arise when old directories are used that don't reflect incoming changes. For this reason, we republish the Directory with changes three times a year, with an errata in the interim. Replacements are charged for as above. There is no trade of an old Directory for a new one, the new one has to be purchased.

**NEIGHBORHOOD ORGANIZATIONS
AND SERVICE AGENCIES DIRECTORY
LISTING POLICY**

1. Community organizations will be listed in a single Neighborhood Organizations Directory geographic area on submitting a written request with all requested information entered on the Neighborhood Organizations survey form. Request survey forms from Janice King, 558-6266 or perhaps easiest, photocopy the survey form appearing on the first few pages of this Directory, completing it and mailing it in to the Planning Department (address is on the survey).
2. Community organizations will be listed in a second Directory geographic area on submitting a written request accompanied by a copy of the organization's bylaws demonstrating that the organization has official and specific geographic boundaries that extend beyond a single geographic area. Citywide or regionwide geographic boundaries are considered non-specific and do not warrant additional listings.
3. Community organizations requesting more than two Directory geographic area listings must submit the material required for two geographic area listings, as stated above, along with such other documentation as the Department may deem necessary. The Department retains the discretion to accept or reject such requests

What to do in case of Duplicate Listings

Because there are occasional organizations that appear in more than one geographical area, when using this Directory for labels please check for duplication. Duplication is preferred to cases where the organization would receive no mailing at all, if one geographical location is not being used.

INDEX TO NEIGHBORHOODS BY GEOGRAPHIC AREA

If you, the user, have any suggestions about how to make this publication more useful to you please contact JANICE KING at 558-6266. Please use the attached survey form to notify us of any change of address or names of officers. You may send written communications to

Janice King
